Re: Freedom of Information Act (FOIA) Request No. 879196

Dear Terry Brown:

This letter responds to your FOIA request of June 17, 2019 in which you request any and all available reports – including memoranda and notes – related to the following OSHA inspections:

- | | |
|--|------------|
| 1. 1259123.015 Amazon.Com.Dedc Llc | Washington |
| 2. 1330181.015 Amazon.Com Dedc Llc | Oregon |
| 3. 1074833.015 Amazon Fulfillment Services | New Jersey |

Inspections number one and two were conducted within Region 10 and this letter responds to that portion of your request. A search of our records failed to identify any Federal OSHA records responsive to your request. You may use the information provided below to submit a Public Records Request directly to the state OSHA office for records they may have that could be responsive.

Washington: Public Records Unit
Department of Labor and Industries
P.O. Box 44632, Olympia WA 98504-4632
Fax: 360-902-5529
Email: PublicRecords@Lni.wa.gov

Oregon: OSHA.RMU@oregon.gov

For future reference, you may be interested to know that inspection information is posted on our website. If you would like to find out if OSHA has conducted an inspection, or get information about a particular OSHA inspection, you may do so by browsing our web page at www.osha.gov. From the Data tab select Data & Statistics and select Search by Establishment or Search by Number. Enter the search criteria and click on Submit. To determine whether the inspection was conducted by the Federal or State OSHA organization within Region 10, refer to the Reporting ID information. If the Reporting ID begins with 103 the case is most likely a Federal OSHA investigation. Reporting IDs that begin with 105 are under their specific State OSHA jurisdictions.

If you have any questions or concerns about this determination, please feel free to contact us at 206-757-6677.

Although no records were located during our search, you have the right to appeal a "no records" response. Your appeal must be received by the Solicitor of Labor within 90 calendar days of the date of this initial denial letter. Address your appeal to the following office: Solicitor of Labor, Division of Management and Administrative Legal Services, Room N-2420, U.S. Department of Labor, 200 Constitution Avenue, NW, Washington, D.C. 20210. Your appeal may also be sent by e-mail to FOIAAppeal@dol.gov. Appeals submitted to any other address will not be accepted. Your appeal must state in writing the grounds for the appeal. It should also include a copy of the original request, the response to your request, and any supporting statement or arguments. The appeal letter, the envelope, and the e-mail subject line, should be clearly marked "Freedom of Information Act Appeal."

In addition to filing an Appeal, you may contact the Office of Government Information Services (OGIS) or the Department's FOIA Public Liaison, Thomas G. Hicks, Sr. at (202) 693-5427 or hicks.thomas@dol.gov for assistance in resolving disputes. The Office of Government Information Services (OGIS) offers mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. You may contact OGIS in any of the following ways to inquire about their FOIA mediation services:
